

Silver Salisbury

Silver Salisbury is recruiting to reach more older people.

- Do you know Wilton and the surrounding villages well?
- Do you participate in community events and can get around easily by car or public transport?
- Are you able to engage with older people individually and in groups?

We are seeking to contract someone to set up a new informal monthly drop in coffee morning for 48 hours freelance at £15 per hour to be worked flexibly within one year.

Silver Salisbury seeks a new trustee (voluntary role)

Committed to enhancing the lives of older people in South Wiltshire?
Can you commit to regular monthly meetings to support and guide the organisation?

Do you have life or work experience of or with older people?

Interested in either of the above? Please contact Irene Kohler (chair) on Silver.Salisbury@outlook.com for more information and to arrange an informal discussion.

Invitation to take part in Silver Salisbury's Autumn Programme

Silver Salisbury is printing two Autumn brochures to promote free and low-cost activities in Salisbury, Wilton, Amesbury, Downton and the surrounding villages; places where older people, especially those arriving alone, will get a warm welcome. We aim to encourage older people to get out, meet new people and try new things.

1. The Festival Programme is a fun collection of events and activities happening between Tuesday 24th September and Saturday 12 October. If you have a one-off event or a special, promotional activity that you'd like to feature in the Festival programme then please contact thesilverproject@outlook.com to request a Festival form.
2. The Directory is a roundup of regular groups and support services running through the Winter into Spring. To add an entry to this directory then please email thesilverproject@outlook.com to request a Directory Form.

Please complete the forms and return them as soon as possible but by the deadline which is Friday 12th July

We'll start distributing Festival programmes in the second half of August and the Directories in September. If you're an organiser of a local group and would like copies for your group then please let us know by email to thesilverproject@outlook.com
