

Silver Salisbury is recruiting to reach more older people.

- Do you know Amesbury, Bulford, Downton, Durrington, Wilton and the surrounding villages as well as Salisbury?
- Do you participate in community events and can get around easily by car or public transport?
- Are you able to engage with older people of all communities, face to face, individually and in groups?

If you can answer yes to all the above you might be the right person to help Silver Salisbury ensure that its programmes are inclusive of all communities.

We currently reach out to Bangladeshi, LGBTQ, Polish and Ukrainian older people. Sadly, Rook who has been reaching out to LGBTQ communities is moving on. We need to ensure that the relationships developed and support provided is not lost, and Silver Salisbury continues to be a warm and welcoming organisation.

We now seek to contract an individual to continue this role freelance at £15 per hour: 100 hours are available to be worked flexibly from April to the end of December 2025, by which time we hope to have a new grant in place to continue this work.

Please email your expression of interest and CV to Irene Kohler silver.salisbury@outlook.com. www.silversalisbury.co.uk
