

Silver Salisbury Volunteer Role

Silver Salisbury

Silver Salisbury Group is made up of mostly volunteers, supporting older people in Salisbury and the surrounding areas. Our main activity is to run an annual programme of events promoting local groups that welcome older people. We do this to help older people make new friends, learn new skills and remain active in the local community, reducing the risk of social isolation. We are looking for volunteers in or near Amesbury, Downton, Salisbury and Wilton.

The role

The volunteers will help the Silver Salisbury Outreach Worker plan and deliver the Silver Salisbury Programme in their local area. We have the flexibility to adapt the role to the skills and interests of the volunteer; these are the types of things we would like help with.

Example responsibilities

- To work with the Outreach worker to find ways to develop the Silver Salisbury programme in their area. This might mean reading local newsletters or getting in touch with local community groups to help us understand more about what's going on.
- To help spread the word about the Silver Salisbury programme, for example by distributing leaflets, talking to local contacts or putting up posters.
- To help host Silver Salisbury events, for example, by welcoming visitors, keeping a record of attendees, serving teas and coffees or preparing teas to be delivered.
- To be a friendly face and positive ambassador for the Silver Salisbury Group.

Role details

- This is a voluntary, unpaid role. We'll cover reasonable expenses incurred carrying out your role, in line with our expenses policy.
- Hours are very much at the role holder's discretion. We're busier at some times than others but would expect the commitment to average around 6 – 12 hours a month with the times to be agreed with the volunteer.
- Silver Salisbury is an inclusive organisation, and so we expect all members to support our goals of equality, diversity and inclusion.

How to apply
