

## Silver Salisbury is recruiting to reach more older people.

- Do you know Amesbury, Downton, or Wilton and the villages surrounding Salisbury?
- Do you participate in community events and can get around easily by car or public transport to visit the key points in your community?
- Are you able to engage with older people of all communities, face to face, individually and in groups?
- Do you have NI number and/or work permit?
- Do you have or are willing to get a DBS check?

If you can answer yes to all the above you might be the right person to help Silver Salisbury support their volunteers and to reach many more vulnerable and isolated older people of all communities living in Amesbury, Downton, Durrington, Wilton and the surrounding villages as well as Salisbury. We want to contract one or more people for between 15 and 60 hours per month at £15 an hour, initially until the end of March 2024.
